### School's out for summer!

Congratulations on a great year of running and walking. Many of you have reached and even surpassed your goal for this year. What an accomplishment! I'm extremely proud of everyone's efforts. I applaud your commitment and dedication to being a strong and healthy student. I hope you continue to stay fit during summer break. I challenge you to never say: ***I am so bored!*** Do something active everyday. Dance, jump rope, or run with family and friends. Go to the local swimming pool to cool off. You'll be in great shape for the new school year!

Let's hear it for all our sites that will be running this summer in Manhattan, New York!
